

## NOMINATION REQUEST FOR

## FOR LIFETIME ACHIEVEMENT

The Nexus Award is the industry's highest recognition award, honoring exceptional character, accomplishments and leadership in the industry.

The Center for Healthcare Supply Chain Research and Genentech, a member of the Roche Group, offer the Nexus Award as part of an ongoing commitment and mission to recognize and reward excellence in the healthcare industry. Nexus refers to the connection between similar entities, making it an apt symbol to honor the pivotal relationship the recipient plays in the distributor-manufacturer-pharmacy arena.

The NEXUS Award is presented annually to an individual HDMA member based on the following criteria:

### EXPERIENCE

- ❖ Nominee has at least 10 years of service in the industry.
- ❖ Nominee has either worked for an HDMA member company or has had extensive involvement with HDMA at some point in his or her career.

### EXEMPLARY SERVICE TO THE HEALTHCARE INDUSTRY/COMMUNITY

- ❖ Created or implemented innovative programs that advanced and supported HDMA member distributors as the efficient choice for product dissemination and delivery.
- ❖ Programs that resolved an industry challenge or advanced the effectiveness and efficiency of the industry. Examples may include anticipating emerging trends and developing future-focused programs and/or processes (e.g., specialty products).
- ❖ Community service outside of professional life that exemplifies "giving back" and improving the community. Examples may include mentoring young people or involvement in housing and health projects.
- ❖ Projects and/or actions demonstrating ethical conduct in the profession.

### LEADERSHIP QUALITIES

- ❖ Evidence of leadership through service on HDMA boards, committees and task forces, as well as speaking engagements on behalf of the industry.
- ❖ Service on leadership boards and committees in other related industry organizations.
- ❖ Exceptional character and integrity.
- ❖ Attitude and actions that inspire others.

### PROFESSIONAL EXCELLENCE

#### Examples may include:

- ❖ Exemplary contributions to the healthcare industry, such as receiving awards within the nominee's company/companies.
- ❖ Acknowledged expertise in nominee's field.
- ❖ Building and strengthening relationships across the industry, to the benefit of customers and consumers.
- ❖ Helping customers to better understand industry programs and services.
