## REPORT FIGURES

1. 2010 New Product Introductions by Condition .....	12
2. Number of Manufacturer Specialty Drug SKUs in 2011.....	12
3. Nearly 2,400 Drugs in Development by Therapeutic Area in 2010.....	14
4. U.S. Specialty Distribution Channels and Customers .....	15
5. Distributor Specialty Drug Sales by Customer .....	16
6. Distributor Specialty Drug Sales by Therapeutic Category.....	17
7. Manufacturer Specialty Drug Sales to Group Purchasing Organizations.....	17
8. Where Orally Administered Specialty Drugs Are Dispensed.....	18
9. Where Injectable Specialty Drugs Are Administered .....	18
10. Approved REMS by Complexity, Comparing 2010 With 2011 .....	19
11. Components of Manufacturer REMS Programs .....	20
12. Number of REMS Programs for Specialty and Traditional Products.....	20
13. Total Distributor Sales Volume.....	21
14. Percentage of Suppliers That Offer Distributors Cash Discounts for Specialty Drug Sales, 2010 and 2011...	22
15. Payment Terms That Suppliers Offer Distributors.....	22
16. Total Chargebacks to Distributors.....	23
17. Total Manufacturer Specialty Product Revenue in 2010.....	23
18. Number of Biologic and Controlled-Substance Products Offered by Distributors .....	24
19. Average Percentage of Distributor Warehouse Space, by Types of Storage.....	25
20. Specialty Product SKUs and Sales Requiring Special Distributor Warehouse Storage .....	25
21. Days of Distributor Lead Time for Specialty Products Based on Inventory.....	26
22. Average Value of Specialty Product Orders From Distributors.....	26
23. Distributor Handling Cost per Invoice Line in 2011.....	26
24. Cold Chain Packaging Used by Distributors for Specialty Drugs in 2011 .....	27
25. Yearly Cost Incurred by Distributors for Specialty Drug Packing Materials.....	27

26. Distributor Services to Support Use of Specialty Medicines .....	28
27. Distributor Marketing Services for Specialty Pharmaceuticals in 2011.....	28
28. Specialty Pharmaceutical Product Packaging by Manufacturers in 2011.....	29
29. Specialty Drug Handling Required by Manufacturers in 2011.....	30
30. Manufacturer Services to Support Specialty Pharmaceutical Products in 2011 .....	30
31. Manufacturer Validation of Temperature-Controlled Specialty Drugs in Transit in 2011.....	31
32. Average Number of Distributor Ship-to Points by Customer Group .....	32
33. Distributor Ship-to Points by Customer, Percentage of Total.....	32
34. Median Weekly Distributor Ship-to Points by Customer.....	33
35. Transportation Carriers Distributors Use to Ship Specialty Medicines .....	33
36. Transportation Carriers Manufacturers Use to Ship Specialty Medicines .....	34
37. Distributor Cut-off Time for Accepting Provider Orders in 2011.....	35
38. Manufacturer Use of Reverse Distributors .....	36
39. Suppliers in 2011 That Do Not Allow Returns According to Distributors.....	36
40. Distributors That Scan Barcoded Products in 2011.....	37
41. Distributor Use of Information Systems in 2011.....	38
42. Distributor Motivations in 2011 to Adopt New IT Systems.....	38
43. Americans Aged 65 and Older With Alzheimer’s Disease, Past and Projected (In Millions).....	40
44. Alzheimer’s Disease: Delayed Nursing Home Placement — Medicines Help Delay Costly Patient Care ...	40
45. Need for Treatments: Parkinson’s Disease .....	41
46. HIV/AIDS: Decline in Death Rates.....	42
47. Drug Approvals for Rare Diseases Have Increased.....	43
48. Cancers: Decline in Death Rates .....	44
49. Projected 32% Increase in the Number of Cancer Survivors by 2020.....	44
50. Medicines in Development in 2010: Selected Categories .....	45
